Many thanks for volunteering to arrange the flowers in our Church.
Your good work is appreciated.

A few notes:

Flowers need to be arranged on Fridays for the altar only, any left-over can be used for Our Lady's statue. The flowers can be purchased to the cost of \$50. Please collect the money from Lisa at the Parish House.

The oasis is to be changed regularly. Oasis needs to be placed in the black bucket then put into the vase. When dismantling arrangements lift the bucket out, take out the oasis, wash black bucket and insert new oasis.

Sometimes there are a few artificial flowers mixed in with the fresh ones. Please do not throw out. Put back in work Sacristy.

Please advise the Parish Office if the oasis is running low and if you have arranged a swap on your day.
